Semi Finals (1v4, 2v3)	28 August
Grand Final	4 September

Game Management

Match starting Times:

U14	9:45am
-----	--------

Match Duration Halves Injury

U14	25 Min	Yes
-----	--------	-----

Within the available timeframe, provided the Referee:

- concludes match 5 minutes before the scheduled starting time of the next fixture, and;
- manages the remaining time proportionally following a lengthy 1st half stoppage.

Squad Numbers

Max 25 players per squad, which shall include 6 Front Row Players whenever and wherever possible.

A team shall not be permitted to have playing in excess of one additional player more than its opponent: For example:

- If one team has 20 players available, and the opposition has only 11, then the team with the most players shall be required to give the opposition team a minimum of 3 players so they can play 15 v 14 a side, or
- If one team has 11 players available and the other has only 15, then the team with the most players shall only field 12, not 15 (if not offering players to the opposition).

Exception to the above clause is: If a team receives a Yellow/Red card, the non offending team is not required to reduce playing numbers accordingly. The principle is that Red and Yellow cards are offences, so the non offending team is not to be penalised as well.
