Dear Jed,

Thank you for the opportunity to explain to your Club the work that is being done every day in Melbourne by the Father Bob Foundation.

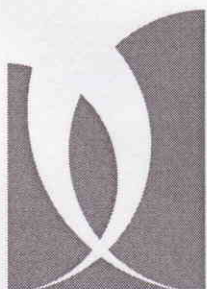

And of course, on behalf of the Father Bob Foundation, I wish to sincerely thank you and your Members for the monies received on the day. Those monies, totaling \$1,600, will go towards people in need with immediate risks, to strengthen protective factors, and to enhance their much compromised quality of life.

I did of course also appreciate your hospitality and friendship in what is clearly a highly successful and vibrant Club. In this respect I congratulate you all as such institutions as yours help to form the basis of a caring and civil community.
Keep up the good work.

Respect

Bob Maguire
