

Become a RaboDirect Rebels Member today and support the Melbourne Unicorns!

RaboDirect and the RaboDirect Rebels are excited to invite all Victorian Rugby Clubs to participate in this new *Conversions for Clubs* program.

This program has been specially designed to encourage all Victorian Rugby Clubs to join forces with the RaboDirect Rebels and be rewarded for doing so. RaboDirect is delighted to take the opportunity to support grass roots rugby in Victoria and help local Rugby Clubs with all important funding.

RaboDirect will donate \$5,000 to each of the eight clubs who **sign up the largest number of new RaboDirect Rebels members.**

But the benefits don't stop there!

The eight winning clubs will "own" a RaboDirect Rebels home game and this means they will be entitled to a further \$200 for each successful conversion kicked by the RaboDirect Rebels during 'their' home game.

All you have to do is become a Rebels member and nominate that you are a Melbourne Unicorns supporter. If you are already a 2012 Rebels member then you can call the Membership team on **1300 069 413** and have them link you to the Melbourne Rugby Club.

Or email rabodirectconversionsforclubs@melbournerebels.com.au with any questions at all.

Every membership counts, from the basic adult support package down to the \$30 for juniors.

And if that wasn't enough we will also get:

1. Exposure of our club on all RaboDirect and RaboDirect Rebels pre game communications.
2. Scoreboard promotion of our club during our home game, each time the RaboDirect Rebels kick for conversions.
3. Ground Announcements at our game.
4. An on-field cheque presentation post match.
5. A RaboDirect Rebels player visit to our club following the match.

Competition entry closes at 5pm Tuesday 21 February 2012

So don't delay, support the Melbourne Unicorns!
